3 **§ 18530.9. Contributions to Candidate Controlled Ballot Measure Committees.**

4
5 (a) A ballot measure committee not controlled by a candidate for elective state

12 contribution limits of Government Code sections 85301 and 85302 apply to any
13 committee controlled by a candidate for elective state office that is established for the
14 purpose of supporting or opposing state or local ballot measures. The applicable limit is
15 that which applied to the controlling candidate at the time the ballot measure committee
16 was formed or became controlled by that candidate.

17 (c) A ballot measure committee that is controlled by more than one candidate for
18 elective state office is subject to the contribution limit of the candidate with the [lowest
19 **or highest]** contribution limit under Government Code sections 85301 and 85302.

20 (d) A ballot measure committee [primarily formed to support or oppose a ballot
21 measure or measures and] controlled by a candidate for elective state office is subject to
22 the post-election fundraising limitations of Government Code section 85316. [A general
23 purpose ballot measure committee is not subject to the post-election fundraising
24 limitations of Government Code section 85316.]

1 (e) A ballot measure committee controlled by a candidate for elective state office
2 who also controls more than one committee for elective state office is subject to the
3 [lowest or highest] contribution limit applicable to the candidate's elective state office
4 committees.

5 (f) The contribution limits applicable to a candidate controlled ballot measure
6 committee under this regulation are subject to periodic adjustment pursuant to
7 Government Code section 83124.
